Fidelity Monitoring Series   Fidelity Monitoring and Feedback Loops in Intervention and Services Research for Programs Offered to Justice-Involved Individuals		<a href="#">Link</a>	Series overview: The Fidelity Monitoring and Feedback Loops in Intervention and Services Research for Programs Offered to Justice-Involved Individuals course series is designed to help researchers and practitioners develop core skills and the knowledge needed to implement programs using fidelity monitoring, to impart the processes for using fidelity measurement and assessment methods to adapt programs when needed, and to prepare them for engaging in an implementation-assessment-improvement feedback loop that ensures continuous quality improvement over time.
<b>Series Courses</b>			
Fidelity Monitoring Course Series Overview	2 + hours	<a href="#">Link</a>	This course provides an overview of each course in the fidelity monitoring series.
Fidelity Monitoring Series   Introduction to Fidelity Monitoring for Programs Offered to Justice-Involved Individuals	< 1 hour	<a href="#">Link</a>	This first course in the series, Fidelity Monitoring and Feedback Loops in Intervention and Services Research for Programs Offered to Justice-Involved Individuals, provides an introduction to fidelity monitoring for programs that are offered to justice-involved individuals.
Fidelity Monitoring Series   Best Practices in Fidelity Monitoring for Programs Offered to Justice-Involved Individuals	< 1 hour	<a href="#">Link</a>	This second course in the series on fidelity monitoring is about best practices and fidelity monitoring for programs offered to justice-involved individuals.
Fidelity Monitoring Series   Development and Implementation of Reliable and Adaptive Fidelity Measures for Programs Offered to Justice-Involved Individuals	< 1 hour	<a href="#">Link</a>	The third course in the series on fidelity monitoring is about the development and implementation of reliable and adaptive fidelity measures for programs offered to justice-involved individuals.

Fidelity Monitoring Series   Improving Programs for Justice-Involved Individuals With Fidelity Monitoring	< 1 hour	<a href="#">Link</a>	The fourth course in the series discusses improving programs for justice-involved individuals with fidelity monitoring.
Fidelity Monitoring Series   Creating and Implementing an Action Plan With the Results from the RNR Simulation Tool for Programs Offered to Justice-Involved Individuals	< 1 hour	<a href="#">Link</a>	The fifth course in this series is about creating and implementing an action plan with the results from the RNR (Risk-Need-Responsivity) Simulation Tool for programs offered to justice-involved individuals.
Fidelity Monitoring Series   Program Feasibility and Acceptability for Programs Offered to Justice-Involved Individuals	1-2 hours	<a href="#">Link</a>	This course is about responding to deviations from fidelity, including program feasibility and acceptability, and how to respond to deviations and regain fidelity adherence once deviations are identified.
Fidelity Monitoring Series   Implementing Research-to-Practice Feedback Loops to Improve Programs Offered to Justice-Involved Individuals	< 1 hour	<a href="#">Link</a>	This course is about implementing research-to-practice feedback loops to improve programs offered to justice-involved individuals.
Fidelity Monitoring Series   Series Completion		<a href="#">Link</a>	Once you have completed each course in the series, you can proceed to this page to obtain your series completion certificate.
